WHITE SANDALWOOD

(Sri Gandham) plant is a significant component of Indian Ayurvedic medicine, with applications including cosmetics, scents, incense, and soaps. It is also well - known for its high-quality sandalwood, which is as valuable and sought after as gold. Despite being an endangered rare plant, many new farmers are growing it with great outcomes.

WHITE SANDALWOOD USES

Cultural Legacy: It represents centuries of tradition and spiritual heritage in India.

Medicinal Benefits: Utilized in traditional medicine for its healing and wellness properties.

Economic Asset: White Sandalwood enriches Soaps, Perfumes and Fragrances with its Distinctive, Luxurious aroma. Its high market value boosts the economy.

Sacred Rituals: White Sandalwood is vital in Indian religious ceremonies, symbolizing Purity and Devotion.

Artistic Craft: Its fine quality and fragrance make it ideal for exquisite carvings and sculptures.
